

Annual Statement of Results report concerning how the institution meets those responsibilities.

Research Integrity Developments and Activities

Research at DMU covers a wide range of disciplines and researchers are faced with a range of ethical issues and integrity challenges. Faculty are provided with subject-specific guidance for research involving ethical considerations (http://www.dmu.ac.uk/research/ethics)

http://www.dmu.ac.uk/research/ethics - http://www.dmu.ac.uk/research-ethics - http://www.dmu.ac.uk/research-ethics (please email [ethics@dmu.ac.uk](mailto:ethics@dmu.ac.uk)) and attend the annual DMU Research Services symposium which addresses the latest in research integrity.
